# of Its Speech and Dramatics . . .

Besides the composition and literature offered in the regular English curriculum at TTHS, there are opportunities for specialized work in radio speech, debate, and dramatics. The radio speech class, in addition to giving valuable experience in public speaking, lets students try their hands at writing original scripts to be broadcast over the public address system.

In debate class the students learn to argue a topic intelligently. Thornton's debaters compete with other high school teams.

Debate Class Edith Yanson puts her point across.

# We're Proud of the New and the Traditional at TTHS

The KIP inaugurated a gala homecoming weekend.

New girls at Thornton were treated to a get-acquainted tea, and the language clubs combined their talents in a big Christmas party.

The traditional dinners for mothers and dads, teas, style shows, class parties and speech broadcasts were standouts of 1949-50.

#### What a long line! . . . .

"What a long line!" says the little freshie to himself as he takes his place behind sixty fellow students. Yes, what a long line, but what a convenient way to pay rental fees. This year something new was added to TTHS. Instead of paying fees to the teachers as was done in the past, students paid them at the bookstore — quite a load on the bookstore personnel, but a relief to the busy teacher. "Next, please," says Mr. Peterson, manager of the bookstore. "English, Profiles, year-book, or typing?"

The KIP weekend, November 10-12, was highlighted by the big parade on Saturday. Various school organizations entered floats.

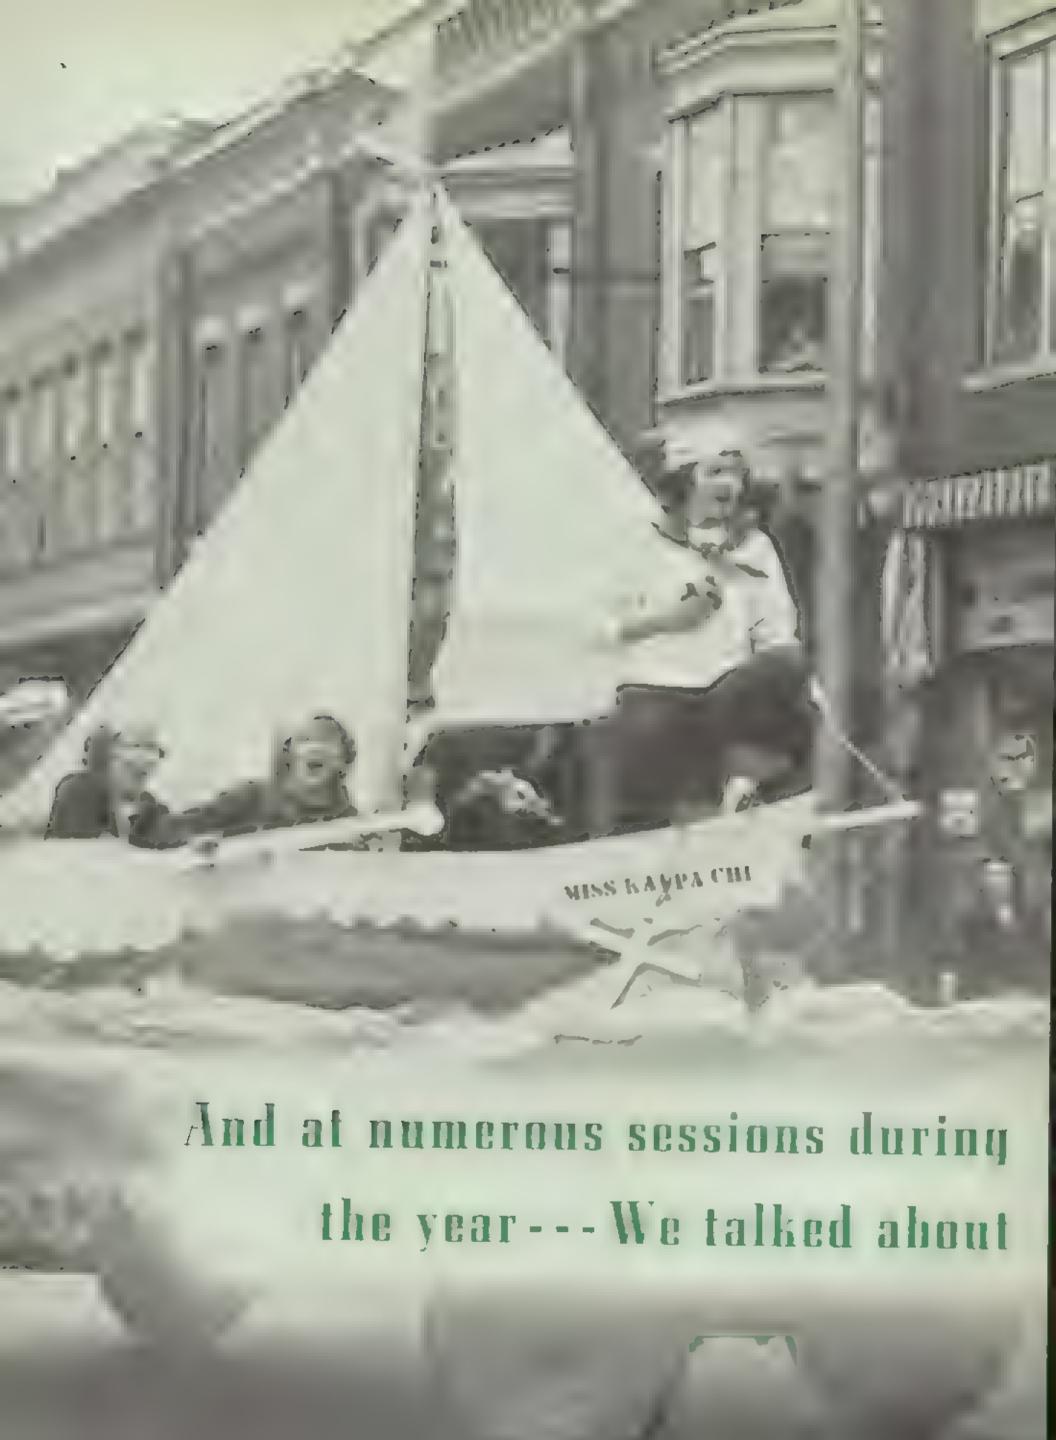

First prize went to Kappa Chi for its nautical float, in keeping with the theme of USS Thornton.

Second prize went to the French Club for its colorful representation of the annual Mardi Gras.

The Pierian Club float captured third prize with its ink bottle, Profiles, and pen.

### K. I. P. — Thornton's

From the school motto, "Knowledge Is Power," comes the name of Thornton's student council, the K.L.P.

The forum, composed of a representative from each home room, meets once a month to discuss student council projects.

The board of control is responsible for the rules, policies, and activities of the council. Officers are elected by popular vote of the student body. All students in the school are automatically members of the KIP

Important yearly projects of the council are sponsoring buses to out-of-town athletic events, giving pep assemblies.

Cafeteria Clean-Up Week this year brought a good student response.

The most ambitious undertaking of all was the Homecoming Week-End in November. Not just a dance, this time it was a whole week-end of activity. From the bonfire pep session on Thursday night, through the big parade Saturday morning, to the dance Saturday night and the crowning of the king and queen, the K.I.P. Homecoming Week-End was a blaze of glory.

# Purple X

The Purple X Committee is a group of faculty and students whose function is to provide recreation activities after school games.

Open houses after home football and basketball games are popular social events with the student body. A ticket purchased ahead of time and a purple X stamped on the back of the hand at the door are the beginnings of an evening of fun.

Dancing is the main attraction, but games are provided for those who do not care to dance and refreshments are served at popular prices.

The instrumental organizations of the T.T.H.S. music department were very active at school functions during 1949-50

Beginning with football and basketball games, the band and majorettes took part in a series of maneuvers. The most important were the Hallowe'en parade, the Armistice Day parade, the Homecoming parade, and the Memorial Day parade.

On Saturday, March 25, Thornton

played host to thirty-three schools from this area in the District Band and Orchestra Contest. The winners of this competition were entitled to enter the state finals. Thornton participated in these two contests with solo and ensemble groups but not as an entire organization

#### Athletics

Athletics at Thornton showed promise of a big step forward as the new gymnasium developed. A huge gym floor, an auxiliary gym on the stage, and a beautiful seventy-five foot, tile-floored swimming pool give promise of better things to come.

Next year basketball fans won't have to be turned away because of limited seating capacity as in the old Buda gym. An airconditioned swimming pool room will be a contrast to the mugginess of the old field house pool. There will be a new football

Coach T. B. "Tiny" Huddlestun tells a player what's what at practice

field and track, necessitated by the building of the new gym over part of the old field.

Pep rallies can be held indoors with the whole school at one time instead of class by class.

Graduation exercises, that goal of all athletes as well as other seniors, can be held in the huge auditorium with its four thousand seating capacity.

Thorntonites are proud of their new gym.

#### Football

The Wildcats of Thornton didn't fare too well on the gridiron the past season — winning one, losing seven, and tieing one. Of these seven losses, five were very close. The Wildcats lost to Joliet 6-0, Danville 13-0, Cal City 7-6, Glenbard 7-0 and Bloom 6-0.

The opening game, a non-league affair, was a victory over Morgan Park 14-12, but from there on, the Wildcats lost seven and tied one.

The old rival, Blue Island, dealt the Wildcats one of the most severe beatings in recent years, 39.0

Thornton's record in league play was four losses and one tie.

Thirty-three players received varsity letters. Of the thirty-three, ten have received varsity letters previously. They are Frank Bodza, Bill Cheeseman, Elbert Elmore, Pete Gaich, Carter Harrison, Don Kagy, Richard Schellhase, Gerald Smith, Joe Szczepankiewicz, and Tom Triumph.

## Basketball —

A complete reversal of last year's team was the decided height to which the Clouds rolled over opposition to turn in a most impressive season. The Clouds had an overall record of eighteen wins and nine losses.

Once again facing competition in the South Suburban League, the Clouds found it rough going but managed to tie Argo for first place. Their record for league play was nine wins and three losses. Their victories were over Bloom (twice), Cal City (twice), Blue Island (twice), Lockport (twice), and Argo (once). Their losses came at the hands of Kankakee (twice) and Argo (once). The Clouds were entered in two tourna-

At the Centralia tourney the Clouds lost to Vandalia, 48-45, then came back to walk over Belleville, 65-53, and to coast over Olney, 59-45. In the semi-finals the Clouds lost a tough one to Granite City, 47-46.

Picked to win the Regional at Bloom. Thornton ran up large scores over Cal City, 62-42, and Lockport, 50-36. After beating Bloom twice in league play, the Clouds came up against them once again. This time Bloom played heads up, both defensively and offensively, to come out on top, 52-42.

The varsity wrestling team's record of five wins, six losses, and one tie does not prove the actual ability of Coach Ted Czech's wrestlers. The fact that five Thornton wrestlers qualified for the State finals at Proviso makes up for the record of more losses than wins.

Returning lettermen were Hopman, Zulfer, Detmar, Triumph, and Smith. The regular varsity wrestlers this year were Hopman, Jurek, Detmar, Tnumph, Smith, Caldwell, Huizenga and Cooper.

The five Thornton wrestlers who qualified for the state meet were Mike Jurek, Tom Triumph, Jim

## Swimming

Led by Captain Tom Clark's steady, winning performances, Coach Froschauer's mermen completed a splendid season with nine wins and one loss. The lone loss came at the hands of Hammond's highly rated team.

Thornton's mermen set six new league records as they won the South Suburban League swimming meet with 76½ points. Jim Phalen and Tom Clark each set two records, while Art Frederick and the 180 yard medley relay team of Fredericks, Wilkinson, and McDaniels each set one. In compiling their record of nine wins and one loss, Thornton beat Bloom, Cal City (twice), Argo (twice), University High, Morton, Niles, and Whiting and lost their first and only meet of the season to Hammond High.

### Tennis

The 1950 tennis squad showed a slight improvement over last year's group. Once again coached by C. J. Moore, the team was shown to be stronger in singles competition than in doubles. Although they lost their first two meets, Thornton's racketmen showed a strong desire to win their first game in two years.

Last year's squad was unable to gain a single victory in either league or non-league competition. This year's varsity squad consists of the following first team: Don Ore, John Bartlit, Bob Dolph and Roger Waaso in the singles, Bill Hillemeyer and Bob Helfrich, Bob Clement and Jim Maplesden in the doubles.

Coach Moore worked continually with his squad to develop his underclassmen. Most of the first team were seniors. He was most successful with Hillemeyer in the doubles and Bartlit in the singles.

## Golf

With one returning letterman from last year's golf squad, prospects for the season looked dismal. Then three juniors and a sophomore came through in grand style to give the team the added strength it needed and to provide promise for the next two years.

The varsity golfers traveled to Oak Hills Country Club to drub Blue Island 15-0 in the first match of the season. Then followed matches against such teams as Kankakee and Illinois Normal, resulting in such lop-sided scores as  $14\frac{1}{2} - \frac{1}{2}$ .

Thirty three boys tried out for the team. These included six seniors, fifteen juniors, six sophomores, and six freshmen. Dick Veleta, Owen Sodetz, Clinton Allison, Ed Gurzynski, and Barry Freeman made up the team most of the season.

## Girls Athletic Association

The biennial swimming pageant, known this year as "Jungle Fantasy," was sponsored by the G.A.A. It was the first major event in the new pool and was presented on May 11, 12, and 13.

Two tribes of jungle maidens, under the leadership of their queens, Joan Wassner and Lorraine Ferkan, swam intricate routines. Comedy was furnished by the witch doctor, Virginia Maas.

Miss Begnoche was in charge of the pageant. She was assisted by Miss Coffland, Miss Stone, Miss Gray, Miss Ulm, Miss Lieb, Miss Hanschmann, and Miss Seebach. The Girls Athletic Association is for girls interested in sports. Awards in the form of small T's and large T's are given to girls who meet the requirements.

Play days, splash parties, tournaments, and a basketball banquet are among the activities on the year's program.

Continued interest, work on committees or board, and a display of good sportsmanship at all times are musts for a progressive G.A.A

## Girls Physical

Sports, rhythms, swimming are the activities open to girls in the Physical Education department.

Simple group games and exercises advance to team sports. Swimmers are classed as beginners, intermediates, or advanced, to progress as fast as possible. Rhythms groups plan individual and group dances as a means of self expression.

Gym leaders in each of the classes assist the faculty with routines and help students to gain skills.

## The Junior-Senior Prom

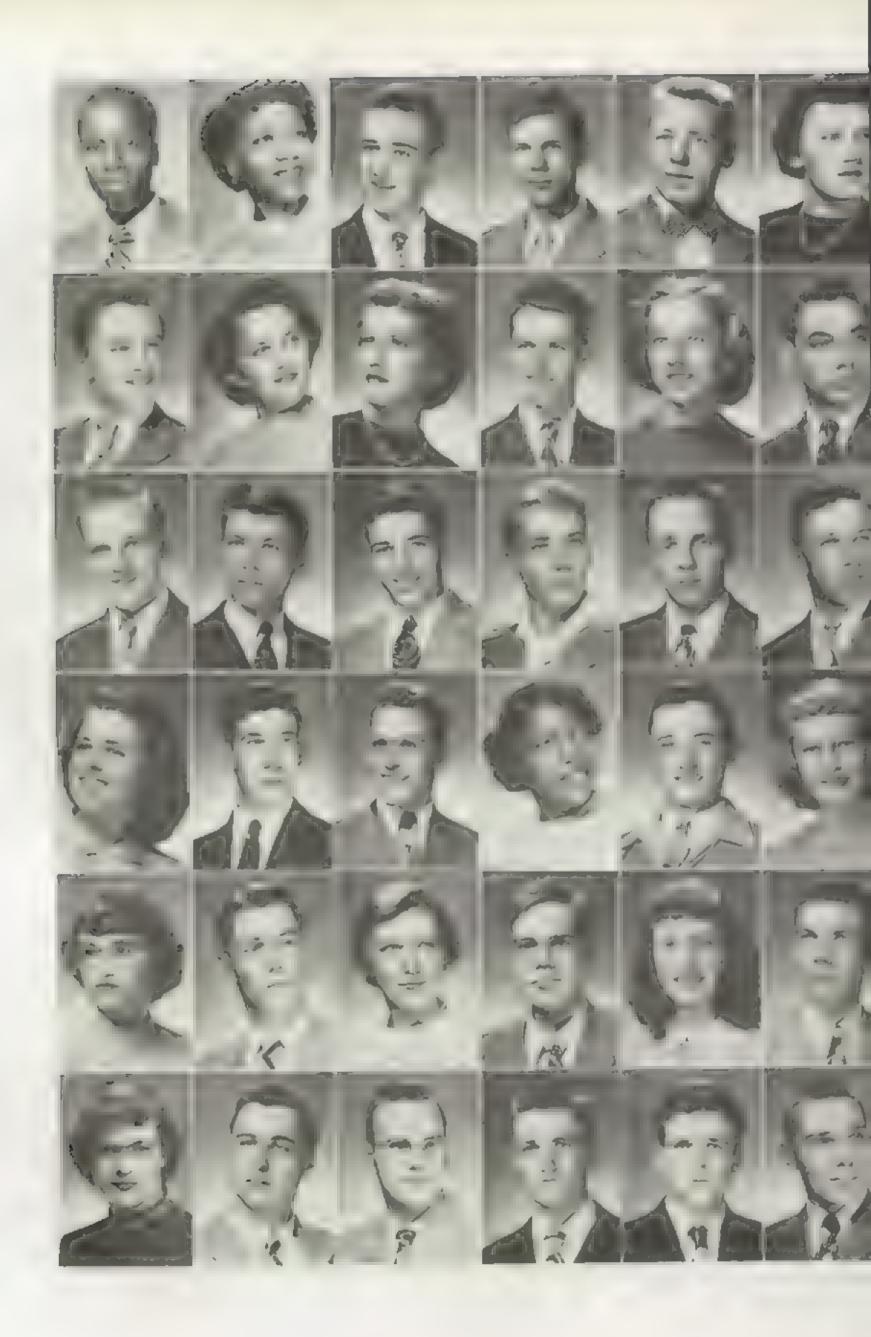

The crowning social event of the school year is the Junior-Senior Prom. Until this year Thornton had no place large enough to have the dance on its own campus. With the completion of the new gymnasium, the classes of 1950 and 1951 had the honor of the first prom in the new building
